To whom it may concern

Campaign to Save Leather Lane Oaks

Prestwood Nature is the local environmental group for Prestwood and the surrounding areas of the Chilterns.

We wish to add our support to the local campaign to 'Save Leather Lane' and wholly support the design proposals (Option 7) submitted by the Campaign to Save Leather Lane Oaks.

In the midst of a climate and ecological crisis it is necessary to do everything possible to protect our ecosystems and biodiversity. It is vital that the Oaks at Leather Lane should not be felled as they provide a habitat for many different plants and animals and make a unique contribution to the biodiversity of the area.

Yours sincerely

Vanessa Rickett
Chair
